If your animal loses a tag you must notify a Superintendent immediately! If a market animal comes to the show without a tag and the proper notification procedure has not been followed, then that animal will not be allowed to show or sell at Columbia Basin Junior Livestock Show. **If you have out-of-state animals, you must provide a copy of the out-of-state vet inspection paperwork at tag day in June for CBJLS to keep for their records.** Any deviation from the CBJLS rules, i.e., switching animals; will force the Board of Directors to take appropriate action.

Completed Market Animal Cost Sheet and Animal Health Record Forms are required before your animal will be weighed in at the Livestock Show!! Please read the CBJLS Premium book for specific requirements for each type of livestock. You can also access information using our website: www.cbjls.org

NOTE: All Market Animals are Terminal – No Take Homes Allowed

This exhibitor and parents/guardians release CBJLS from any and all liability from loss, damage, or injury to livestock, persons, or other property while such property is on CBJLS show grounds.
