All ear tags must be in your hog's ear within 15 calendar days of CBJLS Tag Day! Random ear tag verification farm visits will be in effect. Exhibitors are required to show a hog with the tag that is issued to them on Tag Day. No swapping hogs allowed.

If your animal loses a tag you must notify a Superintendent immediately! If a market animal comes to the show without a tag and the proper notification procedure has not been followed, then that animal will not be allowed to show or sell at Columbia Basin Junior Livestock Show. Any deviation from the CBJLS rules, i.e., switching animals; will force the Board of Directors to take appropriate action.

Completed Market Animal Cost Sheet and Animal Health Record Forms are required before your animal will be weighed in at the Livestock Show!! Please read the CBJLS Premium book for specific requirements for each type of livestock. You can also access information using our website:
